Use the 2NT enquiry to find out whether or not partner has any extra values. Note: Your hand satisfies the Rule (Guide) of 17. 16 HCP + 2 hearts = 18).

If partner instead bids 3♦, you should pass.

Your hand fails the Rule/Guide of 17). Even if partner is maximum, you would probably struggle to make 3NT or 4♥.

With only 6 points you have a clear-cut 3♠ rebid.

Our best option is to show our feature in hearts.

This is not a natural bid. It is showing our upper end HCP range and no feature worth showing. Don't worry about the void in spades: partner will only pass if he has all the outside suits stopped
