Your heart suit is reasonable, SQT =8 and the shape is good (singleton and doubleton).</p> <p>..</p>

Partner and your right-hand opponent have both passed so West must have a big hand. After your pre-empt West will have to enter the bidding at the 3 level so may not find the best contract.</p>

If you open 2♦ the opponents may find a spade fit and make 2♠. Your shape is poor, so your best bet is to pass.</p>

After the double West must bid if you pass, and they have plenty of bidding space to find a making contract. With a combined 9 hearts you bid to the level of the fit'. West will not know whether you have 0 points or 12+ points and will have to guess.</p>

Partner may have no spades. You have an 8 card heart fit. You are already at the level of the fit so must pass.</p>
