

RealBridge Table Fees

Each time we play a practice session, RealBridge levy a small charge of around 40p per participating player against the NG34Bridge account, invoiced at the end of each month. The simplest way of administering this is to ask you to make a one-off payment of £10 to my NG34Bridge account. This will cover the cost of all the planned sessions and occasional catchup/revision sessions up to the end of the course and beyond.
