

Lesson 4: Practise New Suit Responses and Opener's Limit Rebids

Print off and fold down the middle.

<table border="1"> <thead> <tr> <th>1</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♥</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	1	West	North	East	South			1♥	Pass	?	<p>♠ Q32 ♥ 5 ♦ QJ752 ♣ K763</p>	<p>1NT With 8 points you have to bid but you are too weak to bid 2♣. You do not satisfy the "Rule of 14". You have to bid a Dustbin 1NT. This bid does not promise a balanced hand. It is just a point count – 6-9 HCP</p>
1	West	North	East	South								
		1♥	Pass	?								
<table border="1"> <thead> <tr> <th>2</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♥</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	2	West	North	East	South			1♥	Pass	?	<p>♠ K876 ♥ 4 ♦ J83 ♣ KQ532</p>	<p>1♠ Although strong enough to bid 2♣ (satisfying the "Rule of 14"), do not bypass a 4-Card major. Partner may have four spades as well as five or six hearts, and the 8-Card spade fit may not be discovered. If you bid 2♣ and partner rebids her hearts you won't be strong enough to bid 2♠, a forcing bid that could push the auction too high if partner does not have four spades.</p>
2	West	North	East	South								
		1♥	Pass	?								
<table border="1"> <thead> <tr> <th>3</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♠</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	3	West	North	East	South			1♠	Pass	?	<p>♠ J76 ♥ KQ84 ♦ - ♣ K108432</p>	<p>2♣ Your hand easily satisfies the "Rule of 14" (9+6). A better bid than a Dustbin 1NT which partner might pass.</p>
3	West	North	East	South								
		1♠	Pass	?								
<table border="1"> <thead> <tr> <th>4</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♠</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	4	West	North	East	South			1♠	Pass	?	<p>♠ A93 ♥ KJ9873 ♦ K2 ♣ AJ</p>	<p>2♥ Even with 16 points you still make a simple non-jump bid. Your new suit bid is forcing – partner will not pass. The best contract might be 3NT, 4♥, 4♠. Leave as much bidding space as possible to find the best contract. You can show your strength with your rebid.</p>
4	West	North	East	South								
		1♠	Pass	?								
<table border="1"> <thead> <tr> <th>5</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♥</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	5	West	North	East	South			1♥	Pass	?	<p>♠ 983 ♥ J632 ♦ Q76 ♣ J72</p>	<p>Pass With only 4 HCP, don't bid 2♥. Partner will be misled about your strength; if partner has 19 points and 4 hearts he will bid 4♥ which will probably go off. Note that you have no shortage so no ruffing opportunities for partner, despite the 8+ card fit.</p>
5	West	North	East	South								
		1♥	Pass	?								
<table border="1"> <thead> <tr> <th>6</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♣</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	6	West	North	East	South			1♣	Pass	?	<p>♠ AK8 ♥ Q7 ♦ KQ542 ♣ K105</p>	<p>1♦ With this 17point balanced hand and no likely fit in a major you might be thinking about bidding 3NT but that takes up a lot of bidding space and leaves little room for further conversation. The optimum contract might be 5♣ or 6♣, or 5♦ or 6♦. Your 1♦ bid is forcing. You can always bid 3NT with your rebid.</p>
6	West	North	East	South								
		1♣	Pass	?								
<table border="1"> <thead> <tr> <th>7</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1♣</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	7	West	North	East	South			1♣	Pass	?	<p>♠ KQ87654 ♥ 4 ♦ AK ♣ J76</p>	<p>1♠ You don't need to jump to 2♠. A bid of 1♠ is forcing. 3NT might be the best contract. You can show your shape and strength on the next round.</p>
7	West	North	East	South								
		1♣	Pass	?								

<table border="1"> <thead> <tr> <th>8</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♦</td> </tr> <tr> <td></td> <td>Pass</td> <td>1♥</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	8	West	North	East	South					1♦		Pass	1♥	Pass	?	<p>♠ K54 ♥ A5 ♦ KJ987 ♣ A109</p>	<p>1NT You show a balanced hand with 15-16 points so show your point count range by bidding no Trumps at the lowest available level</p>
8	West	North	East	South													
				1♦													
	Pass	1♥	Pass	?													
<table border="1"> <thead> <tr> <th>9</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♥</td> </tr> <tr> <td></td> <td>Pass</td> <td>1♠</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	9	West	North	East	South					1♥		Pass	1♠	Pass	?	<p>♠ K5 ♥ AK86 ♦ KQ52 ♣ QJ3</p>	<p>2NT With 18 HCP you planned to open 1♥ and jump to 2NT, and that's what you now do. If partner had responded 2♣ you would have jumped in No Trumps but to do so you would have bid 3NT.</p>
9	West	North	East	South													
				1♥													
	Pass	1♠	Pass	?													
<table border="1"> <thead> <tr> <th>10</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♥</td> </tr> <tr> <td></td> <td>Pass</td> <td>2♣</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	10	West	North	East	South					1♥		Pass	2♣	Pass	?	<p>♠ K5 ♥ AK86 ♦ K752 ♣ Q53</p>	<p>2NT You have 15 HCP and originally planned to open 1♥ and rebid 1NT but partner's 2♣ rebid has prevented you from doing so. You have to bid 2NT, but that's not a concern. Partner's bid promises at least 9 HCP so with a combined 24+ points you should be comfortable playing in 2NT. After the 2-level response your bid shows 15-18 HCP so partner will almost certainly bid on.</p>
10	West	North	East	South													
				1♥													
	Pass	2♣	Pass	?													
<table border="1"> <thead> <tr> <th>11</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♥</td> </tr> <tr> <td></td> <td>Pass</td> <td>2♣</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	11	West	North	East	South					1♥		Pass	2♣	Pass	?	<p>♠ A98 ♥ AQ8742 ♦ 5 ♣ K85</p>	<p>2♥ You have an unbalanced minimum opening hand and no 4 card second suit. You just repeat your suit at the lowest available level. A non-jump repeat of your suit shows 12-15 points and will usually be a 6+ card suit but may be a 5 card suit. <i>(Here you would rebid 2♥ with five hearts and four spades, because rebidding 2♠ would be a reverse, showing 16+ HCP).</i></p>
11	West	North	East	South													
				1♥													
	Pass	2♣	Pass	?													
<table border="1"> <thead> <tr> <th>12</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♥</td> </tr> <tr> <td></td> <td>Pass</td> <td>1♠</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	12	West	North	East	South					1♥		Pass	1♠	Pass	?	<p>♠ A98 ♥ AQ8742 ♦ 5 ♣ AQ5</p>	<p>3♥ You have 16 points and a good 6 card suit so can repeat your hearts with a jump rebid. Note that your jump rebid guarantees 6 hearts, because with only 5 hearts you must have either a balanced hand (5332) too strong to open 1NT or a 4+ card second suit which you can bid (next lesson)</p>
12	West	North	East	South													
				1♥													
	Pass	1♠	Pass	?													
<table border="1"> <thead> <tr> <th>13</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♠</td> </tr> <tr> <td></td> <td>Pass</td> <td>2♣</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	13	West	North	East	South					1♠		Pass	2♣	Pass	?	<p>♠ AKJ1073 ♥ AJ9 ♦ 5 ♣ A95</p>	<p>4♠ You have 17 HCP but your shape is wonderful. Partner's 2-level response shows at least 8-9 points and could be a lot stronger, so the partnership has at least enough for game. A rebid of 3♠ is a limit bid which partner might pass with a minimum 9 point hand and spade shortage, so to avoid such a disaster you should bid game.</p>
13	West	North	East	South													
				1♠													
	Pass	2♣	Pass	?													
<table border="1"> <thead> <tr> <th>14</th> <th>West</th> <th>North</th> <th>East</th> <th>South</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td>1♣</td> </tr> <tr> <td></td> <td>Pass</td> <td>1♠</td> <td>Pass</td> <td>?</td> </tr> </tbody> </table>	14	West	North	East	South					1♣		Pass	1♠	Pass	?	<p>♠ AJ65 ♥ K8 ♦ A9 ♣ K9432</p>	<p>3♠ You have 15 HCP but now that an 8 card spade fit has been found you can add two shortage points for your two doubletons. With 17 total points you are strong enough to make a game invitational bid of 3♠. With 8+ points partner should bid game.</p>
14	West	North	East	South													
				1♣													
	Pass	1♠	Pass	?
